The Bluff

2,762 SQUARE FEET | 3 BEDROOMS | 3.5 BATHS

THE BLUFF is a charming cottage reminiscent of seaside living. Accented with board and batten siding, the tower feature gives this home a unique coastal flair. Deep porches wrapping both levels and ample windows help bring the outdoors inside where homeowners and guests can take in those beautiful lowcountry days. The first-floor is an open-concept with living room, dining room and kitchen all flowing together to create a spacious entertainment area. Also located on the first-floor is the master suite with double closets and a luxurious bathroom. To shake off the day's activities, the laundry and mudroom are conveniently located just off the back porch. The second-floor has two bedrooms with individual bathrooms and a playroom/flex space. The Bluff conjures up feelings of escaping to the shore while thoughtfully designed for everyday living.
