Design smart. Build beautiful.

The Chastain

3,522 SQUARE FEET | 5 BEDROOMS | 4.5 BATHS

THE CHASTAIN will certainly leave your neighbors with front porch envy. In true Lowcountry fashion, two spacious outdoor living areas and gas lanterns flank the mahogany front door. On one side of the porch, french doors lead to the beautiful vaulted kitchen making it the perfect space for outdoor dining while the opposite side lends itself to a porch swing or rockers for lounging.

The spacious open floorplan makes entertaining a breeze as one room flows easily to the next. Thoughtfully designed, the first floor includes the master suite, laundry, mudroom and not one, but two areas dedicated for a home office. Three additional bedrooms complete the second floor. A finished room above the garage connected by an open breezeway offers privacy for a guest suite.

Curb appeal, charm and functional use of space defines The Chastain.
