Design smart. Build beautiful.

The Newberry

3,807 SQUARE FEET | 5 BEDROOMS | 5.5 BATHS

THE NEWBERRY portrays the classic farmhouse of old with a modern-day personality. Board and batten detailing creates charming curb appeal and leads way to a sweeping front porch, sure to be the hub of family activity. The open kitchen, dining and family room create space for seamless entertaining both indoors and out. A flex space just off the family room offers the opportunity for a home office, playroom or art studio - just to name a few. Also, conveniently located on the first floor is the spacious master suite, mudroom and laundry room. Three additional bedrooms are located on the second floor, each with its own bathroom. Providing privacy for guests, the finished room above the garage is accessible by a breezeway. The Newberry truly conveys the best of southern living and the sense of "home".
