Design smart. Build beautiful.

The Tillman

3,409 SQUARE FEET | 4 BEDROOMS | 3.5 BATHS

THE TILLMAN captures the romance of cottage living with details that describe the meaning of “home.” A sloped metal roof makes a dramatic design statement that harkens back to country houses of the past. A breezy front porch provides a stopping-off place for an impromptu chat with neighbors. Inside, a vaulted kitchen -- a large canvas for personalized detailing -- can serve as a peaceful oasis to begin a busy day, or a welcoming environment to host friendly gatherings around the generous center island. The Tillman is traditional Southern country style interpreted for modern times.
